Dear Merchant:

Spring is just around the corner with last year we had to take off from our run and this year we are back. We are planning for the **23rd annual Skippack Lions 5K and 1-Mile Fun Run**. With the support of many area businesses like yours, we were able to award medals and prizes to the top 3 participants in each age group. In addition, due to the tremendous outpouring of donations, numerous door prizes were raffled off after the race and all participants were treated to soft pretzels, fruit, bagels, juices, water and various other snacks before, during and after the race. We are also pleased to report that, through the generous donations received, all pre-registered entrants received a tee shirt and a packet of goodies which included sponsor flyers and various items, all doubling the value of their entrance fee. Additionally, entertainment was provided for both adults and children, including a DJ, a Face Painter, clowns and a Massage Therapist who provided wonderful relief for our runners after the race.

We, the Skippack Lions Club, are once again seeking your support to make this worthwhile community event a continued success. We also invite you to come out on **Saturday, June 22nd** and join us as a runner, walker, volunteer, and spectator or just come out and share a sampling of your products with the community at this event.

As mentioned earlier, all of the awards, snacks, prizes etc., were made possible through the overwhelming response we received from businesses throughout the community. We would like to continue to make this event one that families, teenagers, parents and grandparents can enjoy together.

We would like to thank you again for your past donation, for without your involvement, this community event would not have been possible. We ask that you support us this year run by donating **\$250.00 or whatever you can and setting up a booth at the race** or whatever amount or product you can for this year's participants (enclosed is a sponsorship level form).

In order to be included in the pre-printed materials that are distributed to various community events in the weeks preceding our event, **we must have confirmation of your commitment by May 31st**. Donations of any amount/kind will be accepted through June 1, (this will guarantee your listing on the T-shirts), and can be mailed to:
